

# Antony K J

## Objective

As a BCA candidate with certifications in cybersecurity completed in December 2022, data science completed in June 2023, and UI/UX designing using Figma completed in September 2023, I am eager to embark on a career that leverages my skills and knowledge. With experience as a member of IEDC (Innovation and Entrepreneurship Development Cell) since 2022 in St. Joseph College, Devagiri, I am passionate about technology, innovation, and problem-solving, and I am ready to contribute to a dynamic team and make a positive impact in the field of IT.

## Skills

- Programming Languages: Python, Java, C, C++, SQL
- Data Analysis: Data cleaning, visualization, and interpretation
- Cybersecurity: Network security, ethical hacking, risk assessment
- UI/UX Design: Wireframing, prototyping (Figma), Adobe Creative Suite
- Web Development: HTML, CSS, JavaScript
- Problem Solving: Strong analytical and critical thinking abilities
- Communication: Effective written and verbal communication
- Teamwork: Collaborative and adaptable in team environments
- Leadership: Experience in leading and motivating teams in Social Extension Program

## Projects

1. Career Guidance Project (Started in June 2023)
  - Description: Developing a career guidance platform to help students who are confused about their future studies
  - Technologies used: NLP, FLUTTER, PYTHON
  - The platform uses assessment tests to assist students in selecting their degree paths.
  - Ongoing

## Experience

- Member of Innovation and Entrepreneurship Development Cell (IEDC)
- St. Joseph College, Devagiri
  - Since 2022
  - Actively involved in promoting innovation and startup ideas
  - Collaborated with fellow students on various innovation.
